

Getting to us is easier than ever...

Novena Medical Center, located at the intersection of Irawaddy Road and Sinaran Drive is accessible from either Thomson Road or Moulmein Road (see map).

By Train

The Novena MRT Station is directly below the Novena Medical Center, at Basement 1. Leaving the MRT station through Exit A, turn right and follow the directional signs to the Level 1 Medical Lift Lobby to take a lift up directly to Level 11 to get to us.

By Car / Taxi off

It's very convenient to drop off at the private and comfortable Medical Concierge located at the level 2 Medical Center entrance at Sinaran Drive (see red arrow on the map). You can then take the lift up to Level 11 or call us at 63976700 if you need assistance to get up to our clinic.

Car Park

The Carpark entrance to the Medical Center is from Irawaddy Road and there is ample parking at levels 5, 6, and 7 of the building. Try to park at the side of the Carpark with the large BLUE words (Novena Medical Center) against the Glass backing.

Using that lift lobby (rather than the escalators on the other side of the carpark) take the lift to level 11 for the quickest access to us.
